

THE GOOD YACHT GUIDES

THE UNIQUE GUIDE TO OVER 1500 POST-WAR FIBREGLASS SAILING YACHTS

- * full details of measurements, berths, keel and engine type
 - * plans and illustrations
- * price guide on all popular boats
- * comments on history, builders, performance and styling
 - * index and leads to yachting magazine test reports

An invaluable reference book and a must for anyone thinking - or dreaming - of buying a boat

Absolute beginners, addictive boat buffers and professionals will find plenty of value in the Good Yacht Guides
